- 13.2 A meal period of twenty (20) minutes with pay will be allowed to all employees required to work more than two (2) hours beyond their regular shift with one lunch provided by the employer.

ARTICLE XIV-REST PERIODS

- 14.1 Employees will receive one (1) fifteen-minute rest period during each one-half (1/2) shift, subject to call out in an emergency and availability of relief. The Elected Official/Department

Head in charge of each department shall make all reasonable efforts to schedule employees in a manner that insures that relief is available. Employees who choose not to take breaks will forfeit these rest periods.

ARTICLE XV-SHIFT PREFERENCE

All shift assignments are subject to approval by the Department Head/Elected Official.

In the event of a departmental emergency, the Department Head/Elected Official may, without notice, change the employees work schedule.
- 16.2 Sheriff's deputies, excluding corporals and sergeants, will have the option of bidding, by seniority in their work unit, for days off which become available when vacancies occur. However, sergeants and corporals may be denied requested days off based on division seniority if the requested days off would result in not having a sergeant or a corporal on duty at all times.

ARTICLE XVII-CALL IN GUARANTEE

- 17.1 An employee called back to work, in addition to his/her normal work schedule, will be guaranteed for each such call-in a minimum of two (2) hours pay and shall be compensated for all such time at a rate equal to one and one-half (1 1/2) times his/her regular pay. Time worked will be computed from the time the employee is contacted but shall not exceed thirty (30) minutes travel time.

ARTICLE XVIII-STANDBY STATUS

- 18.1 An Employee assigned to standby status (and not called out) will receive four (4) hours of straight time pay for each twenty four (24) hour period or portion thereof. Such period shall start at the time the employee begins his/her standby status. An employee who is called in while on standby status will receive, in addition to the standby pay, overtime for any hours worked.

- Employees who are required to carry pagers are not considered to be on standby.

- 18.2 It shall be the responsibility of the employee placed on standby status to keep his/her supervisor informed as to where he can be reached. Standby time shall not be considered time worked for the purpose of computing overtime payment. Employees on standby status will be given reasonable amount of prior notice.

18.3 The Employer will post a voluntary standby list by classification and department/division seniority order within each work unit. Each employee will be allowed to sign up for standby assignments during the first week in January and July. Employees who have signed up for voluntary standby will be assigned standby in department/division seniority order on a rotating basis. If the above procedure has been followed and no employee on the list is available for standby work, standby will be assigned in reverse order of department/division seniority and the employee will be required to be on standby.

ARTICLE XIX-PROMOTIONAL EMPLOYMENT

19.2 When an employee is promoted to a position within the bargaining unit, the employee will serve a sixty (60) day promotional period. Based upon the evaluations of the immediate trainer, the supervisor will determine if the employee's performance is satisfactory or not. If the employee's performance is not satisfactory, the employee will be transferred back to his/her prior position without break in classification seniority.

When an employee who holds a position within the bargaining unit is promoted to a position that is not within the bargaining unit, the promoted employee is no longer within the bargaining unit and is no longer entitled to rights under this Agreement, including union representation.

19.3 Reserved.

19.4 Officers, by State Law, must certify within 364 days of hire. Officers hired without certification will remain on probationary status while obtaining certification and will serve a six-month probationary period once certification is obtained.

ARTICLE XX-LEAVE WITH PAY

20.1 Leave with pay is available to eligible employees for the following reasons: vacation, sickness, injury, funeral, approved county business, jury duty, voting, and annual military service.

20.2 Employees shall apply for leave of absence on the appropriate Personnel Leave Form. If approved, leave shall be recommended by Department Heads/Elected Officials.

ARTICLE XXI-VACATION LEAVE

21.1 Employees will accrue vacation at the rate of five (5) hours per pay period for each two (2) weeks of service, based on twenty-six (26) pay periods per calendar year. Vacation leave will be scheduled by department seniority preference, regardless of classification, or rank.

21.2 An unexcused absence will forfeit the vacation benefit for that period.

21.3 Pay for accrued vacation may be obtained by an employee prior to leaving on vacation. An employee must give two (2) week notice to his/her Department Head/Elected Official.

- 21.4 An employee may carry over any or all vacation time, from one year to another, up to two hundred forty (240) hours. Any hours accrued above two-hundred forty (240) hours will be paid to the employee if circumstances prevented the employee from taking his/her vacation as requested by the employee.
- 21.5 The employer shall pay an employee the full cash equivalent of accumulated and accrued unused vacation time, up to 240 hours, upon an employee's separation from service with the Employer.
- 21.6 For the purpose of scheduling vacations, the Department Head/Elected Official will post a schedule for vacation by January 1st. Each employee will list his/her first and second choice for vacations by February 1st of each year. These vacations will be scheduled by the Employer on a department seniority basis. Additional vacation leave will be scheduled on a first come basis.
- 21.7 When a legal holiday occurs during an employee's vacation, that day will be charged as a holiday and not vacation.

ARTICLE XXII-SICK LEAVE DAYS

- 22.1 Employees will accrue sick leave at the rate of four (4) hours per pay period for each completed two (2) weeks of service, based on twenty-six (26) pay periods per calendar year.
- 22.2 An unexcused absence will forfeit the sick leave benefit for that pay period.
- 22.3 The amount of sick leave that an employee may accrue will be unlimited. Sick leave may be granted, at the discretion of the Department Head/Elected Official, for an employee illness, injury, legal quarantine, and to care for a family member ill or injured.
- 22.4 If the Employer has reasonable suspicion to believe that an employee is abusing sick leave, the Employer may require a doctor's excuse.
- 22.5 The Employer may require a doctor's excuse for absences over three days.
- 22.6 Employee with extended illnesses may use accumulated vacation when sick leave has been exhausted.
- 22.7 Employees who have accrued over two-hundred forty (240) hours sick leave may convert up to forty (40) hours sick leave each year, to forty (40) hours vacation time each year on a one-to-one basis.
- 22.8 The Employer will pay an employee one half (1/2) the cash equivalent of up to 1,000 hours of accumulated sick leave upon separation from employment, provided the employee is not terminated from employment and leaves employment in good standing.

22.9 Sick Leave Donation

An employee may donate accumulated sick leave to another employee(s) who has qualified for and is taking leave pursuant to the Family Medical Leave Act (FMLA) under the following conditions:

- All employees may donate up to eight (8) hours of accumulated sick leave per year per employee.
- An employee who has accrued one-hundred-and-fifty (150) hours of sick leave may donate up to twenty (20) hours of sick leave per year; and
- An employee who has accrued two-hundred-and-forty (240) hours of sick leave may donate up to forty (40) hours of accumulated sick leave per year.

Donated sick leave will be banked and used in the order of receipt. For instance, if employee Bob donated 10 hours on February 11, 2011, and employee Jane donated 10 hours on February 12, 2011, Bob's donated leave would be used before Jane's donated leave. Any donated leave that is unused will revert back to the donating employee's accumulated leave.

Employees may not donate accrued vacation leave. Employees may not donate sick leave to another employee who is not taking leave pursuant to the FMLA. Whether an employee qualifies for FMLA leave is an employer determination that is not subject to a grievance under this Agreement.

Donated sick leave may not be utilized by an employee until he/she has utilized all of his/her accumulated vacation leave, sick leave, and compensatory time. Once he/she has utilized the twelve (12) weeks of FMLA leave, donated leave may be used for an additional eight (8) weeks of paid leave, at the discretion of the County Manager.

The County shall transfer the donated sick leave to sick leave account of the employee, by converting the dollar value of the donor's leave based upon the donor's hourly rate of pay, to the hours of leave based upon the recipient's hourly rate of pay.

Employees may donate leave to more than one employee, however, employees may not donate to the same employee more than once during any given twelve (12) month period.

It is the responsibility of the employee that needs sick leave time donated to contact the Union President to obtain a Sick Leave Donation form. Upon obtaining the form/forms, the employee will then ask members of his/her department to assist with donation of sick leave.

The Union President or his/her designee will assist the employee by asking members of other departments for donation of sick leave. The Union President or his/her designee will turn in all necessary forms to the payroll clerk one (1) week prior to payday.

ARTICLE XXIII-FUNERAL LEAVE

23.1 In the event of death in the immediate family, an employee may be allowed up to three (3) days funeral leave with pay. In the event of death of other family members, employee will be allowed one (1) day of funeral leave with pay. In the event the family member resided more than five-hundred (500) miles from Silver City, an additional two (2) days funeral leave with pay will be granted, verification of attendance will be required.

23.2 "Immediate Family" shall include the following only: spouse or domestic partner, children, parents, grandparents, grandchildren, sisters, brothers, foster children, step children, and parents-in-law. "Other family member" shall include the following only: brothers-in-law, sisters-in-law, nieces, nephews, aunts, aunts-in-law, uncles, uncles-in-law, or other relative living in the household of the employee.

ARTICLE LVI-RESIDENT DEPUTY SHERIFF'S

56.1 Within Grant County there are two (2) Resident Deputy Sheriff Districts. They are: Cliff/Gila and Mimbres.

CONDITIONS OF EMPLOYMENT

- 56.2 There are several considerations that apply to the Resident Deputy that make the position different than that of a Patrol Deputy assigned to the Sheriff's Department. The Standard Operation Procedure (SOP) for the Sheriff's Department recognized that the Resident Deputy situation differs from that of the other deputies assigned to the Sheriff's Department. The contract recognizes that this position is different and the employment procedures for the Resident Deputy Sheriff must accommodate this unique position.
- 56.3 The Resident Deputy must live in the District that they serve in. Residency must be established within sixty (60) calendar days from the date of employment or appointment.
- 56.4 Resident Deputies will be required to respond to calls at times other than the normal eight (8) hour workday, and must be in an "on call" basis when in their district, other than when they are on vacation. This requires twenty-four (24) hour availability for call-out during the work week when they are in their district.
- 56.5 The Resident Deputy must routinely respond into situation where there is no immediate supervision; therefore, this Deputy must exhibit a level of common sense and a knowledge of the laws of the State and County that extend beyond that expected of those Deputy Sheriff's who patrol under the guidance of the shift commander. A Resident Deputy must have a minimum of two (2) years law enforcement experience. Resident Deputies shall report to the Patrol Division and report to the Division Commander.

The current ranks of employees holding Resident Deputy positions at the time this Agreement becomes effective shall not be affected by the amendments made to this subsection.

WORK HOURS

- 56.6 A Resident Deputy Sheriff's work week shall be defined as Sunday, 00:01 a.m. through Saturday 2400p.m (Sunday 00:01 a.m. to Saturday 11:59 p.m.) The work schedule shall consist of five (5) working days within the seven (7) day period. The employee shall be entitled to a fifteen (15) minute rest period for each four (4) hours worked and paid thirty (30) minute lunch break subject to call-out for each eight (8) hours worked in a workday.
- 56.7 A Resident Deputy Sheriff is expected to be engaged in continuous operations as defined by Article 9.2 of this contract. However due to the conditions of the position, the provisions of the Fair Labor Standards Act (29 U.S.C.), Article 207 (k) (2) apply. This entitles the Resident Deputy Sheriff to a mandatory fifty-four (54) hours rest during the seven (7) day period. Unless called-out for an emergency, the Resident shall have a continuous rest period of six (6) hours for districts having more than one (1) Resident Deputy and four (4) hours for single Deputy Resident districts. An emergency shall be any condition, which threatens life and/or limb or is declared as such by the Sheriff. Resident Deputies working in a voluntary overtime situation create a waiver of the mandatory rest period.

56.8 Resident Deputy Sheriff's are required to work forty (40) hours during the workweek excepting as provided by authorized absence.

56.9 Resident Deputy Sheriff's shift will commence the moment they advise the dispatcher that they are on duty or when they leave home with the exception of training duties at locations outside Grant County.
